CEO
MESSAGE

TAFE Queensland has a history of serving Queensland's communities for more than 138 years as the largest, most experienced vocational education and training (VET) provider in the state. Our training is delivered to over 110,000 students each year at more than 50 locations across Queensland and we offer more than 500 practical, industry-relevant qualifications ranging from entry-level certificates to bachelor degrees.

Specifically designed to help you get more out of high school, we also offer a range of TAFE at School qualifications. The great thing about a TAFE at School qualification is that it fits around your studies and helps you kick start your career sooner. Completing a TAFE at School qualification also gives you direct entry into most TAFE Queensland qualifications, access to a variety of university pathways, and multiple ways to get started on your trade qualification.

From 2021 the Australian Tertiary Admission Rank (ATAR) will be used for entry to tertiary study in Queensland. Completing a Certificate III level or above TAFE at School qualification can contribute to your ATAR and provide pathway options that can get you started on your degree sooner.

This guide features a range of information about our TAFE at School program from qualifications to trade and university pathways, intakes to payment options and information tailored for your parents and schools. For further information you can also visit our website at **tafeqld.edu.au/schoolstudents**, call **1300 308 233**, or visit your local campus to speak to our friendly customer service team.

I encourage you to speak to your teachers, VET coordinator and/or guidance counsellor, friends and family about your future. There is always an option and a pathway that is right for you, so see where TAFE can take you in 2021 and beyond.

Warm regards,

Mary Campbell
Chief Executive Officer (CEO)
TAFE Queensland

STUDY AREAS

Studying at TAFE Queensland gives you access to multiple pathways to kick start your career, even while you're still at school. Whether you dream of a career in fashion or fitness, automotive or animal care, early childhood or engineering, we have a course that's right for you.

AGRICULTURE AND HORTICULTURE   16

Learn while enjoying the outdoors and watch your work come to life. Turn your passion for conservation into a career, or get ready for a life on the land.

ANIMAL CARE   17

Turn your love for animals into a career. Develop the skills to care for a variety of animals, as well as an understanding of the administration and business side of the industry.

AUTOMOTIVE   18

If you have a passion for cars, trucks, boats, or bikes, then rev up your career with an automotive course. Develop your skills and choose to specialise in a range of areas.

BEAUTY AND HAIRDRESSING   22

Style your career with courses in beauty or hairdressing. Learn how to use your imagination to help others look and feel beautiful.

BUILDING AND CONSTRUCTION   28

Get hands on and lay a solid foundation for your career. Develop practical skills to work in the building and construction industry with a range of trade courses.
BUSINESS, JUSTICE AND MANAGEMENT   32

From finance to management, and justice to marketing, career opportunities in business are endless. Get down to business, crunch some numbers, or lead the way. The choice is yours.

CHILD CARE   36

Develop hands-on skills for a rewarding career in early childhood education and care or education support. You'll give children a fun, safe and supportive environment to learn and grow.

COMMUNITY SERVICES   37

Make a difference with a career in community services. You'll work to promote the safety and well-being of children, families, and at-risk members of the community.

CREATIVE   40

Turn your creative talents into a rewarding career. Develop the skills to work in fashion, floristry, music, photography, graphic design, performance, or visual arts.

ELECTROTECHNOLOGY AND UTILITIES — 52

Spark some life into your career. Develop practical skills to work across a range of specialisations including electrotechnology, air conditioning and refrigeration, safety, or water operations.

ENGINEERING — 53

Engineer your future for a hands-on career. From boiler making to welding, and fabrication to machining, choose to specialise your engineering skills across a range of areas.

RAIL INFRASTRUCURE — 55

Set yourself up for a career in the rail industry. Learn the skills to operate tools and minor railway mechanical equipment and work safely in a rail environment.

HOSPITALITY AND COOKERY — 56

The opportunities in hospitality are endless. You will gain in-demand skills to travel the world. Work behind-the-scenes in the kitchen, or front of house at a restaurant, café, hotel or resort.

ICT, INFORMATION AND NETWORKING — 64

Technology puts the world at your fingertips. Become a library assistant, museum guide or gallery curator, or develop your technical expertise and work in ICT, web and software development, cyber security or telecommunications.

NURSING AND HEALTH — 72

Help people in their time of need with a career in nursing and healthcare. Work in nursing, aged care, primary health care, allied health, dental, pathology, or laboratory science.

SPORTS AND FITNESS — 78

Strengthen your potential with a career in sports and fitness. Work as a personal trainer, group exercise instructor, coach, or outdoor adventure guide.

TOURISM AND EVENTS — 81

Deliver unforgettable experiences every day. Help people plan their dream holiday or bring to life music festivals, weddings, or major sporting events.

LOGISTICS — 83

Get your career moving. Enjoy life on the road as a freight or bus driver, rail worker, learn how to process stock and manage supply chains, or take to the skies as a pilot.

TAFE AT SCHOOL

BENEFITS OF TAFE AT SCHOOL

- Fits around your senior studies
- Get valuable Queensland Certificate of Education (QCE) credits*
- May contribute to your Australian Tertiary Admissions Rank (ATAR)*
- Direct entry to any related TAFE Queensland course^
- Open up a variety of university pathways
- Gain credits towards an apprenticeship, diploma or university studies
- Build practical skills in an adult learning environment
- Get work ready

FLEXIBLE STUDY OPTIONS

TAFE Queensland offers flexible study options so you can gain a VET qualification while you're still at school in a way that best suits you.

ON CAMPUS

TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-standard workspaces and classrooms. All training is delivered in an adult learning environment so you'll get a taste of what it's like to study in a higher education setting. You'll also learn from our highly-qualified teachers and benefit from their vast experience.

AT SCHOOL

Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland qualification when you complete your course.

INDUSTRY EXPERIENCE

Some TAFE at School courses require you to complete work placements, or in some instances to work in the industry. This gives you the opportunity to build your skills and confidence dealing with real-life situations. Work placement requirements should be discussed with your teacher prior to commencement of study.

TRADE TASTER

Year 10 school students have access to a Trade Taster program which is funded by the Queensland Government. This is unique to TAFE Queensland and offered at no cost. The program allows students to experience the trades industry by studying one unit of competency from different trade areas.

SCHOOL-BASED APPRENTICESHIP OR TRAINEESHIP

TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you're still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

After selecting the industry you are interested in and talking with your school and parents, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs.

Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us.

School-based apprentices and trainees do not pay fees for training at TAFE Queensland, this is funded by the Queensland Government; however you may need to pay some costs for tools and compulsory personal protective equipment, which we will outline upon enrolment. When you become a full-time apprentice or trainee after completing Year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

For more information about school-based apprenticeships or traineeships call 1800 210 210 or visit **training.qld.gov.au/ apprenticeshipsinfo**.

Enrolment into TAFE at School courses is subject to eligibility requirements. Talk to your VET coordinator or guidance counsellor, or visit our website for more information.

*Eligibility conditions apply.

^Additional entry requirements may apply for select courses.

TERM DATES
AND INTAKES

TAFE Queensland term dates align with Queensland school terms to fit with your senior studies.

TERM DATES 2021

		QUEENSLAND SCHOOLS		TAFE QUEENSLAND
TERM 1	START	Wednesday 27 January	START	Monday 1 Feburary
	FINISH	Thursday 1 April	FINISH	Thursday 1 April
TERM 2	START	Monday 19 April	START	Monday 19 April
	FINISH	Friday 25 June	FINISH	Friday 25 June
TERM 3	START	Monday 12 July	START	Monday 12 July
	FINISH	Friday 17 September	FINISH	Friday 17 September
TERM 4	START	Tuesday 5 October	START	Tuesday 5 October
	FINISH	Friday 10 December	FINISH	Friday 29 October

Many TAFE at School courses have intakes in Semester 1 and/or Semester 2, so you can choose to start studying at a time that suits you.

By choosing to start your first course in Year 10 in Semester 2, you can often complete two courses by the time you have six months left of school. This frees you up to concentrate on your studies for the rest of Year 12 so you can nail your final assignments and exams. Bonus: you're ready to hit the ground running in finding a job to earn money, support a gap year or university studies, and kick start your career.

STUDENT
SUPPORT

Everyone's journey is different and sometimes you need some extra support to achieve your study goals. We're here to help. At TAFE Queensland our student support services are available for all of our students, making your learning experience just that little bit easier.

Learn more at **tafeqld.edu.au/studentsupport**.

COST AND
PAYMENT
OPTIONS

Costs vary from course-to-course and you can check our website for the most up-to-date prices. You may be eligible for a range of fee-free TAFE at School courses, covered under VET in Schools (VETiS) funding, this is funded by the Queensland Government. The courses advertised as VETiS funded in this guide are only applicable if you have not accessed VETiS funding in the past.

For further information, please refer to the VETiS section of **training.qld.gov.au**. Eligible students are entitled to one VETiS funded program only.

Payment plans may also be available to assist with payment of your course; however if you're under 18 you will need a guarantor. Applications will be subject to credit checks.

For information about our withdrawal and refund policy, please visit the TAFE Queensland website: **tafeqld.edu.au/policies**.

PATHWAYS
TO YOUR FUTURE

There are plenty of ways to land your dream career, so give yourself a head start and fast track your studies in the process with a TAFE at School course.

Once you complete your TAFE at School course, you may be eligible for direct entry into any related TAFE Queensland diploma^. When you complete your diploma, our partnerships with local universities may help guarantee you a place in a bachelor degree.

POST-SCHOOL OPTIONS

BECOME AN APPRENTICE OR TRAINEE

Learn hands-on with the same equipment and tools used in industry, combining working for an employer and studying at TAFE Queensland, and graduate with a nationally-recognised qualification.

Applying for an apprenticeship or traineeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees. Studying a TAFE at School pre-apprenticeship course can boost your chances of landing your dream job by demonstrating to a potential employer that you're actively interested in their industry.

The first step is to visit an Apprenticeship Network Provider (ANP) to help connect you with an employer. Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract directly with TAFE Queensland.

For more information, visit **tafeqld.edu.au/apprentices**.

APPLY FOR A TAFE QUEENSLAND CERTIFICATE OR DIPLOMA

After successfully completing a TAFE at School course/s you may be eligible direct entry into any related TAFE Queensland course^.

It's as simple as getting in contact with us and letting us know which course you want to study.

Check out our website to see our full range of courses, from certificates through to diplomas and degrees at **tafeqld.edu.au/courses**.

GET READY FOR UNIVERSITY

If you need to complete additional prerequisites for university during or after high school, Unilearn is the perfect option. You can study a range of subjects from maths and science to senior English.

With the ability to study online and after hours, you can easily add a Unilearn subject or two to your senior schooling years. Unilearn subjects can also provide additional Queensland Certificate of Education (QCE) credit points.

Alternatively, if you want to increase your tertiary admissions rank, our Adult Tertiary Preparation (ATP) course can help you achieve your goals.

For more information, visit **tafeqld.edu.au/atp**.

GO TO UNIVERSITY

There's more than one way to get into your dream university course. Successfully completing a diploma at TAFE Queensland can help secure you a place in a bachelor degree through our partnerships with local universities.

Many of our diploma courses have formal articulation arrangements with some of Australia's top universities. This means that your university may give you as much as one year credit towards your degree thereby shaving time off of your uni studies and saving you money too. You may be able to complete a diploma and a degree in the same amount of time to complete a degree alone and be work-ready sooner.

INFORMATION
FOR PARENTS

It's tough being a teenager in their final years of school, trying to decide what to do with the rest of their lives. The pressure's on as early as Year 10 and it feels like results and choices will make or break their future.

It can be tough for parents too. Knowing when to intervene or when to take a step back seems impossible at times. But your behind-the-scenes role is crucial to their success.

ABOUT VOCATIONAL EDUCATION AND TRAINING

University is not for everyone. Vocational training is not for everyone. Education *is* for everyone.

Most careers need some form of education and training. But they don't all require a university degree. There are a variety of reasons your child or students should consider vocational education and training (VET). Perhaps they want to enter a trade, test out an industry, gain Queensland Certificate of Education (QCE) credits, or maybe they just need to improve or contribute towards their Australian Tertiary Admission Rank (ATAR).

BUSTING VET MYTHS

The 2017 *Perceptions are Not Reality* report from Skills Australia debunked some of the most common misconceptions about vocational education and training in Australia.

MYTH: Almost 30 per cent of Australians believe that university graduates find work more easily than VET graduates.

FACT: VET graduates have a higher employment rate than university graduates. The average employment rate of a VET graduate is 78 per cent (it's 69 per cent for university graduates).

MYTH: One in five Australians believe that VET graduates earn less than university graduates.

FACT: The average VET graduate actually earns similar wages to, if not more than, an average university graduate.

MYTH: Three in five Australians believe we need university education more than VET to thrive in a globally competitive world. Almost half those people think VET is no longer as relevant as university education.

FACT: VET aims to provide the skills we need to keep up with our quickly changing employment and industry trends. Additionally VET provides courses for nine out of 10 occupations predicted to have the greatest growth of new jobs over the next five years.

WHY TAFE QUEENSLAND

Not everyone learns in the same way or at the same pace. At TAFE Queensland there are as many options as there are individuals with pathway options to suit your child's needs and help them kick start their career.

INFORMATION
FOR SCHOOLS

Designed to deliver practical, workplace-specific skills and knowledge, VET covers a wide range of careers and industries. If you find that your students struggle in a traditional classroom, or if they're tactile learners, VET may be where they will really shine.

HOW TAFE QUEENSLAND CAN HELP

With more than 500 nationally-recognised qualifications from entry-level certificates to bachelor degrees, studying at TAFE Queensland gives your students access to multiple pathways to get a head start on their careers.

They will learn in industry-standard facilities, have access to a range of student support services, be able to take advantage of a wide range of university pathway options, and so much more.

For more information, visit **tafeqld.edu.au/advisors**.

PARTNERSHIP WITH SCHOOLS PROGRAM

TAFE Queensland's Partnership with Schools Program means school teachers can deliver training to their students at their own school. TAFE Queensland provides the school with mentor support, learning and assessment resources, and advice on training delivery and student assessment to ensure the delivery of the highest standard of industry-relevant training.

Even though students are completing their training at school, they are enrolled with TAFE Queensland and are issued with a TAFE Queensland qualification on completion of their studies.

To discuss a customised partnership arrangement for your school, please contact your local TAFE at School team.

TRAINING FOR SCHOOL TEACHERS

TAFE Queensland offers low-cost training for school teachers with relevant industry experience so they can deliver VET programs at their school.

Teachers can train in certificate I and II courses relevant to the delivery of TAFE at School courses, as well as higher level qualifications for teachers who want to broaden their skills.

Teachers with existing industry-related experience may be eligible for Recognition of Prior Learning (RPL) to earn a full or partial qualification, with gap training available.

ADDITIONAL PARTNERSHIP WITH SCHOOLS OPTIONS, POWERED BY IVET

TAFE Queensland has partnered with IVET to offer further flexible delivery options for teachers. The relationship allows us to offer a TAFE Queensland branded online portal proposition that enables teachers to have instant access to student progress, course information, digital resources, classroom management, PD logging, compliance, and teacher qualification management. Under this arrangement, TAFE Queensland currently facilitates a number of Partnerships with Schools across a range of study areas, with the intention to provide more offerings in 2020 and 2021. This is also a very valuable and beneficial option for a mid-year in take, should students find themselves needing to change academic pathways.

TEACHER AIDE TRAINING

TAFE Queensland also provides nationally-recognised training for teacher aides. Our strong relationships with schools means we can provide opportunities for your staff to gain knowledge and skills across a wide variety of workplace settings.
